Important events to report: Establishing of a subsidiary in the United Kingdom

The management of Safetech Innovations S.A. (hereinafter referred to as the "Company") informs the market about the establishment of a subsidiary in the United Kingdom. The new company, SAFETECH INNOVATIONS GLOBAL SERVICES LIMITED, was incorporated on 08.02.2022 and has its headquarters located at 86-90 Paul Street, London, England, EC2A 4NE. The Company holds 67% of the share capital in the newly established subsidiary.

The object of activity of the subsidiary is business and domestic software development, information technology consultancy activities, other information technology service activities and management consultancy activities other than financial management.

The opening of the subsidiary in the UK marks the beginning of the international expansion of the Company through establishment of dedicated teams and offices abroad. The opening of the subsidiary in the UK is part of the Company's wider strategy, for which the company has carried out, between November 2021 and January 2022, a share capital increase operation. The UK entity will be led by Liana-Ancuta Stancu, in position of Director.

The Company will keep the market informed in respect to the activity of the newly established UK company through separate Current Reports.

Victor GANSAC

Sole Director
