Important events to be reported: Appointment of personnel in key positions

The management of Safetech Innovations S.A. (hereinafter referred to as the "Company") informs the market about the appointment of Mr. Gabriel Musat, one of the founders of the IT integrator, Datanet Systems, as Strategy and Development Manager. In his new position, Mr. Musat will be responsible for developing business relationships with Safetech Innovations' existing and prospective clients, as well as increasing the Company's market share at the national level.

Mr. Gabriel Mușat has over 30 years of experience in IT&C in technical services for communication networks, data centers and IT security systems, sales of IT solutions, marketing and management.

For the purpose of consolidating the quality of the services that it delivers, the Company has also promoted Marius Parvu as Manager of the Information Security Services Department and Mr. Sorin Mirutescu as Manager of the Research-Development Department, both being already employees of the Company and having a cumulated technical experience, of over 20 years, in the field of cybersecurity.
